DR. LUDD M. SPIVEY

In the history of American education, few men have had the distinction of serving more than 30 years as a college president; none can look back through the years with greater satisfaction than Ludd Myrl Spivey.

It was in 1925 that Dr. Spivey came to our orange grove campus to direct the affairs of a struggling, debt-ridden Methodist college with only two educational buildings and a student body numbering less than 200 men and women.

Behind him were his days as a student at Vanderbilt University and the University of Chicago, as a pastor in Methodist churches in Missouri, and as the dean of Birmingham Southern College.

Ahead of him were almost insurmountable problems aggravated by the Florida real estate collapse and soon thereafter the great world depression which plunged this nation's economy to the lowest depths in its history.

The clouds lingered lang over the acres above Lake Hollingsworth. Only one with determination, with integrity, with courage, with loyalty, with devotion and with faith could have brought lightness to the gray of discouraging days and the darkness of the nights of dismay.

The sunshine of the dawn is now bright over our world famous campus, with its beauty, its Frank Llayd Wright architecture, its progressiveness, its growing fame as a cultural and intellectual center, and, above all, its men and women, past, present and in the days to come.

All that is Florida Southern College is synonymous with the name, Ludd Myrl Spivey. It will be so even a millennium into the future.

The Interlachen—all of the students—solute with affection and gratitude the President of our Alma Mater!

DEDICATION

A poet, a philosopher, a friend

Out of the North a few years ago, there came a man to our orange grove campus who has earned a firm place in our hearts and minds—a man whose name in this and in centuries to come is and will be linked indelibly with that of our Alma Mater.

A leading financier and business executive, this friend of Florida Southern College has achieved for himself a second career in the world of letters through his philosophy in poetry—the music of words about life and love, sea and sky, nature and the universe.

He has further served with great distinction as our Honorary Chancellor and in so doing has proven on campus and in classroom his great interest in and abiding affection for all that is our Alma Mater.

It is with great pride and with equal gratitude that we honor this poet who has brought honor to us by dedicating the Interlachen of 1956 to

GEORGE WASHINGTON JENKINS

The 1956 Honorary Chancellor of Florida Southern College is George Washington Jenkins, of Lakeland, the president and guiding genius of Publix Super Markets, Inc.

Friendly, quiet, unassuming, Mr. Jenkins with his vision, courage and progressiveness is internationally known in the retail food industry and his leadership is so outstanding that a great national magazine published a feature article about his accomplishments.

Less known are his many contributions to his community and state. Whether the good is for church, education, citizenship, civic organization or just ordinary boys and girls, men and women, one can be certain that the hand of this leading Lakelander is in the background.

The Florido Southern College Political Union was organized by Dean J. A. Battle to implement the American Culture program of the college and to fulfill the aims of the Citizenship Clearing House. It was formally organized December 3, 1954.

The Union holds monthly dinner meetings in which outstanding public officials are subjected to an "off-the-record" crossfire questioning on personal political philosophy and its practical applications.

Not content to remain an entity, the Union also sponsors chapel speakers, takes an active part in campus political activities and cooperates in the Florida Citizenship Cleoring House.

Omicron Delta Kappa, long distinguished as the number one collegiate honorary fraternity, has established a triad of purposes in which is explained the magnitude of its position. They are: to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicious attainments along similar lines; to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help mold the sentiment of the institution on questions of local and intercollegiate interest; to bring together members of the faculty and student body of the institution on a basis of mutual interest and understanding.

Character, leadership and service to campus life, scholarship, fellowship and consecration to democratic ideals are considered five indispensable qualifications for membership.

Cap and Gown has a four-fold purpose: to recognize women who have attained a high standard of leadership in collegiate activities, to bring together the most representative women in all phases of collegiate life, to create an organization for service to the college and to bring about a good relationship between faculty and students.

To be eligible for membership in Cap and Gown, a girl must have reached the classification of a junior and must have an overall "B" average. She must have attained special distinction in at least one phase of collegiate activity and must be active in different organizations on campus. The prime requisite for Cap and Gown is good character, but a girl must also rank high in scholarship and intelligence, be loyal to the college and have democratic ideals.

BETA BETA BETA

Beta Beta Beta is a Biological Science honor society, designed to stimulate sound scholarship, to promote the dissemination of scientific truth and to encourage the investigation of life sciences.

Membership is reserved for those having a B average in science courses and a 2.5 overall average. It desires to cultivate intellectual interest in the natural sciences and to promote a better appreciation of the value of biological study. Beta Beta endeavors, also, to extend the boundaries of man's knowledge of nature by encouraging new discoveries through scientific investigation. It emphasizes, therefore, a three-fold program: stimulation of sound scholarship, dissemination of scientific knowledge and promotion of biological research.

BETA PHI CHAPTER

Beta Phi Chapter of Sigma Sigma Sigma started off its second year on the Florida Southern College compus with the largest pledge class — twenty-eight girls and a promising future in sight.

A busy year was in store for us . . . our annual Christmas party . . . all the members giving gifts for the John Randolph School children in Virginia . . . on Easter party and egg hunt at a home for children in Lokeland.

We were busy on compus olso, our members participating in over twenty campus activities . . . Secretory of Beta Beta Beta . . . President of Vogabonds . . . Secretary of Alpha Psi Omega . . . several members of the Concert Choir, Concert Bond,

Microphone Club, Rifle Team, Debate Team, two members of Kappa Delta Pi, Interlachen Staff, Southern Staff, International Club and many other organizations.

Kampus Kapers found us working hard . . . as did Founders' Week! . . . Founders' Day was celebrated with a banquet and the traditional Sigma Symphony . . . then came our annual Deep Purple Ball.

Thus, we ended our second year on campus, living up to our purpose of personal development of individual members, a design for living and worthwhile standards of social relationships.

Colonel William Nealson, a graduate of the University of Illinois, served in World War II as an American Army adviser to the Philippine Army. He fought with this Army until his capture by the Japanese, being held as a prisoner-of-war for three and one half years. Since the end of World War II, he has served at Fort Benning, Georgia; Fort Bragg, North Carolina; Fort Campbell, Kentucky, and at U. S. Army headquarters in Alaska before coming to Florida Southern College as the new PMS&T.

One of the highest honors that can be bestowed upon a Florida Southern co-ed is that of being chosen as an R.O.T.C. Co-Ed officer. These young women are chosen by the Regimental Staff officers, the Battalion officers and the individual companies to represent them respectively as their sweethearts and to serve at R.O.T.C. social functions.

R.O.T.C. AT FLORIDA SOUTHERN

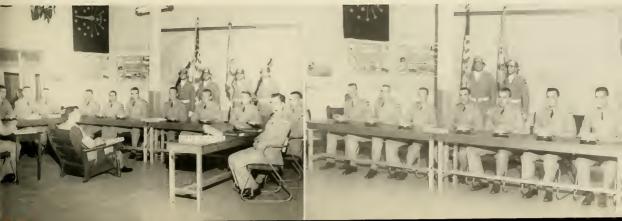

One of the largest student programs on Florida Southern College's campus is that of the Reserve Officers Training Corps, headed by Lt. Colonel William R. Nealson. The unit is comprised of approximately five hundred men students divided into two battalions and four companies. Students who qualify for service in the armed forces study military science and tactics during their freshman and sophomore years. Eligible students who prove their military ability during their basic two years may be promoted to advanced courses in which they will be enrolled for an additional two vears. Cadets in these advanced classes must serve one summer session of field training at Camp Gordon, Georgia. The majority of advanced students receive Reserve commissions in the U.S. Army at the end of their college careers.

CAPTAIN JAMES T. THEUS

CAPTAIN JAMES R. MURPHY

Major Key served almost two years in the China-Burma-India Theater in World War II and spent three years in Germany where he commanded the 536th M. P. Company. Since coming to Florida Southern College, he has served as adviser to the Junior Class, to Theta Chi Fraternity and to the Men's Council.

Captain Theus held the post of rifle platoon leader in the 5th Infantry Division in France and Germany during World War II. After being wounded he was sent to Camp Rucker, Alabama, to help train men for activity in the Pacific Theater, and then to Korea to aid in establishing the new ROK Army. He was

located at Fort Benning, Georgia, prior to his assignment to Florida Southern College.

Captain Murphy, inducted into the Army in 1944, has served in Puerto Rico, at Camp Gordon, Georgia, and in Japan in 1953. He was assigned to the R.O.T.C. at Florida Southern in 1954.

Even if all the games had been won, such a record would scarcely have reflected the fine attitude, conditioning and spirt put into the game by the 1956 Mocs. All-State Frank DeSavino was again FSC's high point man, with a 369 total and a dropping in average of 15.4 per game. Dale Collins was close behind sporting a 354 point record.

In its second year of competition, the Florida Southern College R.O.T.C. basketball squad engaged some of the strongest teams in the state, ending the season with eight wins and ten defeats. Bartow Air Force Base again proved to be the downfall of the Cadets as the Airmen eliminated Southern from the Tampa Tournament for the second straight year. Jerry Novok led the team with an average of 16 points per game, followed closely by Ray Carucci, Peyton Montgomery and Allen Williams, averaging around 15 points per game.

The Florida Southern College Water Moccasins stroked their way to second place in the state finals in 1955 giving the Varsity Crew a distinguished place in crew racing in America.

Always producing a top-ranking crew in the

United States, Coach Roy Couch is again back at the helm to coach the varsity eight. Only two veteran lettermen returned this year to the Varsity shell, Stroke Steve Potz and Coxswain Tom Karahalios

The Varsity and Jayvee teams hit the slides in a trial run.

The 1955 Water Mocs boasted a 4-4 record which is commendable against such crews as Wisconsin, Amherst, American International College, Rollins, Brown University and Tampa. The FSC crew placed fourth in the Dad Vail Regatta in Philadelphia.

The Varsity Crew prepares far a workout.

This year's schedule is again a rigorous one, Lasalle being a possible addition to the regular contention.

The Junior Varsity oarsmen had a 4-3 record in 1955 and face their usual schedule in 1956.

MOCCASIN BASEBALL TEAM

Diamondwise the Mocs have excelled due to the tireless efforts of Coach Jim Lease. Under his leadership, the Southern nine has taken several Dixie Conference Championships and brought back the clean sweep broom from many jaunts over the country. This year the attack was led by Coach Frank Pollard who proved equally capable in maintaining the spirit and performance of the Moc nine.

In the 1955 season, Hank Calderone batted top spot with a little over the .340 mark. Seasoned players returning to the squad this year were Charles Senger, Frank DeSavino, Bill Tolle, Walt Krauss, Richard Hagstrom and Don Brennan, backed up very ably by several newcomers to the team.

Established to assist in teaching the women physical education majors the fundamentals of coaching, the teams participated in basketball and softball competition. It is planned to add volleyball to the list of activities next year.

In basketball, the series with Tampa produced the highest scores for F.S.C. with the deft right-hand iump shot of Barbara Bauhof scoring the measure of difference in both contests. Bobbie Lee Knowles proved heroic in the initial meet with Rollins, scoring the decisive three points in the last fifteen seconds of the game.

In softball, the team had home and away dates scheduled with Tampa and Rollins with others being tentative.

Sigmo Alpha Epsilon, for two successive seasons the winners of the Intramural Championship Trophy, copped this year's Intramural Football Trophy backed by an undefeated record. Not only was this an unmarred season, but the SAEs have boasted a two season winning streak on the gridiron, running the tally to fifteen stroight gomes.

THE INTRAMURAL CHAMPIONS AND THE ALL-STARS

ALL-STARS: First Row: Walter Krouss, William Medley, Donald Maurice, Ward Johnson.
Second Row: Frank Blair, Numan Garrison, Robert Fernandez, Gerald Rooks.

Nominations to the Football All-Star team were made on the basis of outstanding performance and contribution to the team and league. Sigma Alpha Epsilon's undefeated record not only gave it three men on the roster, but also found Johnny Rooks the outstanding pigskin carrier of the year Pi Kappa Alpho and Lambdo Chi Alpha, both top contenders, contributed three men eoch, while the Boptist Student Union named two on the team. Four fraternities contributed one each: Sigma Phi Epsilon, Tau Kappa Epsilon, Phi Delta ond Sigma Alpha Epsilon "B"s

CHAMPIONS: First Raw: Jim Stelogeannis, Buddy Penn, Clark Moxwell, Bill Tolle. Second Row: Richard Hagstrom, Bill Medley.

Undefeated in eight sets, the Garnet and Gald spikers would not let history repeat itself by taking defeat in the finals of an errorless season. Two successive years has found Pi Kappa Alpha and Tau Epsilon Phi meeting a full three games in the finals, seemingly more a match of endurance rather than dominance since both teams showed equal skill in their performances. This year the Pikes came out on top, taking the final set from TEP.

VOLLEYBALL CHAMPIONS

MEN'S INTRAMURALS AND THE ALL-STARS

ALL-STARS: First Raw: Richard Hagstrom, Walter Krauss, Ward Johnson, Clark Maxwell, Bill Medley. Secand Row: Mohammed Sabie, Jim George, Dale Collins, Bab Fernandez.

Selections by the Intramural Board for the All-Star Volleyball team were spread among nearly all of the participating graups. Pi Kappa Alpha, the champions, led the list by contributing four spikers to the All-Stars. Runner-up Tau Epsilon Phi added two, as did Sigma Alpha Epsilon, the Faculty and Lamda Chi Alpha. Tau Kappa Epsilon and Sigma Phi Epsilon each had one member on the roster. The most valuable player was Mohammed Sabie, TEP.

Barbara Bauhof, Bobbe Jones and Charlotte Paugh led Alpha Omicron Pi to a hard-won victory over the second place Southernettes. The season ended in a two-way tie, AOPi winning the rematch games. Others on the team were Jane Murphy, Sandy Hawes, Lucy Fisackerly, Marilyn Howell, Marilyn Rushton and Faye Tucker.

VOLLEYBALL CHAMPIONS: First Row: Borbora Bauhof, Barbara Jones, Marilyn Hawell.
Secand Row: Charlotte Paugh, Marilyn Rushtan, Lucy Fisackerly, Mary Lau Gandy.

WOMEN'S INTRAMURALS

THE VOLLEYBALL AND BASKETBALL CHAMPIONS

BASKETBALL CHAMPIONS: First Row: Marilyn Howell, Barbara Bauhaf, Barbara Janes, Frances Lietz. Second Row: Barbara Knawles, Lucy Fisackerly, Marilyn Rushton, Julia Hale.

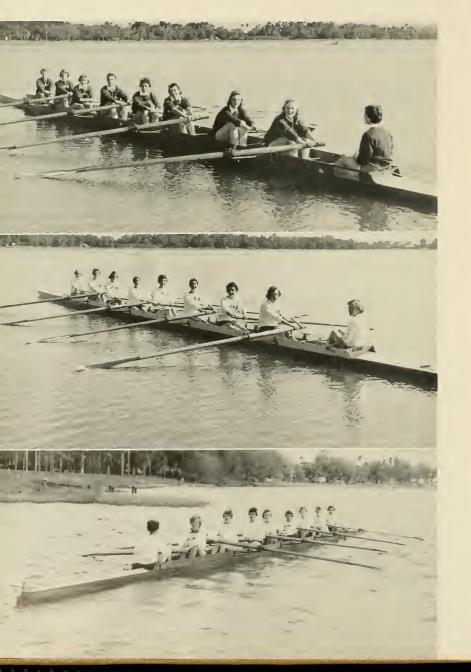

No other basketball team could match the sure fires of the three AOPi forwards Bobbe Jones, Bobbie Knowles and Barbara Bauhof. Marilyn Rushton came through as the topnatch guard, assuring the Alpha Omicron Pi team victory in all of their contests. Completing the first team were Marilyn Howell and Julie Hale.

INTRAMURAL CREWS

The girls' intramural crew teams help compromise what is the largest campus crew program in the United States. Seven shells took to the water this year in an attempt to

STAFF AT THE EDUCATION SERVICES OFFICE, MocDill Air Force Bose: First Row: T/Sgt. Chorles A. Lumpkin, NCOIC; Copt. John M. McTamney, Education Services Officer; Mr. Fronk A. Collins, Civilion Education Adviser. Second Row: A/3C Joseph R. Gurewicz, T/Sgt. Joseph W. Conohey, T/Sgt. Thomas N. Travis.

T/Sgt. Otto H. Lensch III is NCOIC at the Education Center at Polm Beach Air Force Bose.

STAFF AT THE EDUCATION SERVICES OFFICE, Pinecostle Air Force Bose: Mojor Cecil E. Gregg, Personnel Services Officer; Mr. Henry W. Hough, Civilian Education Adviser; T/Sgt. Jack D. Prutsmon, Education Supervisor; Mrs. Doris Blackwell, Education Stenographer.

EDUCATION CENTERS

The high standing of Florida Southern College and its liberal policy of cooperation with military personnel, have brought invitations to establish Education Centers at three Air Force Bases in Florida.

The Center at MacDill Air Force Base, near Tampa, was inaugurated in the Autumn of 1950. Over sixty men and women at that base have received degrees from Florida Southern College.

Classes were commenced at Pinecastle Air Force Base, near Orlando, in the Spring of 1954. The most recent Center is Polm Beach Air Force Bose, adjacent to West

Palm Beach, where instruction began in the Autumn of 1955.

Classes meet for three hours on weekday evenings thus giving the base personnel the opportunity to secure a college education in off-duty hours.

MacDill and Pinecastle Air Force Bases are the 809th and 813th Air Base Groups, respectively, under the Strategic Air Command. Both are bases for the fleet medium bombers, the B-47s, Palm Beach Air Force Base is Headquarters for the 1707th Air Transport Wing Heavy, at which training is given to pilots of cargo planes.

Elementary mothematics is a subject taught regularly, term after term, at MacDill.
